This is to certify that

Mr. Midhun Mohan

has participated in the course

HazMat Training LITE

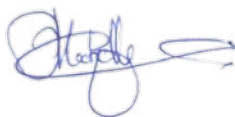

from 27 August 2020 to 28 August 2020 in Live Virtual Classroom

The objective of the training was to introduce the main requirements of the EU Ship Recycling Regulation and practical information on how an IHM should be prepared including the development of "Visual Sampling and Check Plan".

The following subjects were covered in detail:

- Knowledge of relevant legislation
- IHM preparation for new buildings
- IHM preparation methodology for ships in operation
- Hazardous materials knowledge
- Theory of sampling and how to get the samples analyzed
- IHM reporting and RO approval
- IHM maintenance

Issued following a Live Virtual Classroom, 28.08.2020
